

Evaluation Entry System (EES) Available From .mil & .gov Only

ALCON,

Human Resource Command (HRC) has temporarily suspended access to the EES web site from non .mil or .gov networks.

<https://evaluations.hrc.army.mil/>

HRC anticipates restoring access from outside networks in the next 2 weeks. During this time, users will be unable to access this site from home or non DoD workplace networks without the use of the Ethernet Virtual Private Network (EVPN). Instructions for setup and utilization of EVPN to connect to the NEARNG network can be found here:
