MEMORANDUM FOR Nebraska Army National Guard, ATTN: HRO-AGR, 2433 NW 24th Street, Lincoln, NE 68524

SUBJECT: Statement of Understanding for New Active Guard Reserve into Positions of Significant Trust and Authority (POSTA)

1. _____ (initial) I have been selected for a position vacancy in the Recruiting and Retention Battalion, Nebraska Army National Guard as a new AGR hire (not currently a T32 AGR in the NEARNG).
2. _____ (initial) I understand that this position requires a broader POSTA screening process in order to ensure qualified personnel serve in identified positions of significant trust and authority. This screenings process could take up to six months or longer.
3. _____ (initial) I understand that Permanent Change of Station (PCS) orders will not be published until the processing of the POSTA screening is complete and there are no disqualifying results.
4. _____ (initial) I understand that I will be allowed to attend military training required for Recruiting and Retention duties during the processing of the POSTA screening. The determination to allow me to attend training will be based on the outcome of local POSTA screening.
5. _____ (initial) I have been provided ARNG-HRZ Policy Memorandum #15-040 dated 16 December 2015, SUBJECT: Suitability Security Screening Policy for Personnel Identified in or Nominated to Occupy a Position of Significant Trust and Authority (POSTA). I have been given the option to meet with a JAG officer for assistance. I understand I must review my personal background based on the POSTA screening process. The final decision to go through the POSTA screening process and accept an AGR POSTA position with an unknown outcome of the POSTA screening process is my own personal decision.

6. _____ (initial) I understand that if I am not approved for assignment to a POSTA position based on the screening process, I may request to be voluntarily released from the AGR program at any time. If approved my voluntary release will result in a one year waivable disqualification from re-entry into the AGR Program, IAW NGR 600-5, Table 2-1.

7. _____ (initial) I understand that if I am not approved for assignment to a POSTA position based on the screening process, I will be notified of suspension from my POSTA assignment. Depending on the outcome and nature of suspension, I may be mandatory release or involuntarily released from the Active Guard and Reserve (AGR) program, IAW NGR 600-5, Paragraphs 6-4 and 6-5. Reassignment to another AGR position that is not a POSTA position will not be considered as a non-career status AGR on my initial tour. If released I will revert back to a drilling status as a traditional member.
