Duties

Duties

As a PHYSICIAN (AEROSPACE MEDICINE), GP-0602-14, duties include:

Serves as the locally recognized authority for administration of comprehensive clinical medical and physical assessments, and preventative medical services to assigned ANG personnel. Using mastery of and skill in applying professional and clinical Aerospace, Occupational and Preventative Medicine knowledge, practices, principles and theories, the incumbent: Works independently and exercises sound judgment in accordance with the methods and practices of the medical profession and established medical/administrative policies affecting the quality and success of key programs essential to ANG readiness.

Provides inter-disciplinary medical advisory and consultative services; Performs comprehensive medical assessments including, but not limited to, annual preventive health pre- and post-deployment interviews, mental and deployment health assessments; pre-placement, occupational health, and separation health physical exams; fitness for duty evaluations; fly waiver, line of duty, and medical continuation determinations. Coordinates with inter-disciplinary teams to gather facts and uses effective analytical and evaluative methods to prepare complex healthcare recommendations. Utilizes a thorough knowledge of military medical organizational structure, policies and procedures to review records/referrals and determine appropriate aeromedical and operational dispositions on line of duty and medical continuation determinations; separation history and physical exams; incapacitation pay; convalescent leave; and the need for disability evaluation system processing; flight and occupational exams and waivers. Prepares comprehensive narrative summaries by reviewing all comprehensive medical records/referrals; ensuring accuracy, conciseness, and appropriateness before forwarding for review by the National Guard Bureau (NGB) and the Physical Evaluation Board or appropriate Waiver Authority.

Provides Aerospace Medicine support.

Serves as the fulltime ANG medical expert on all aspects of the Aerospace Medicine Program; assisting the SGP with overall program management and implementation. The physician applies extensive medical knowledge and complex occupational and environmental health methodologies to protect assigned ANG personal across the entire scope of military related exposures. The patient care duties pertain to the requirement to recognize cases which require referral or consultation with specialists. Exercises considerable latitude over professional and technical decisions when preparing, reviewing, and updating medical case management records for special duty personnel.

Actively participates in strategic planning to improve organizational direction as a member of the ANG medical unit leadership. Serves as recognized medical authority within the organization, when working with Federal, State, and local agencies on matters related to aerospace medicine, preventative medicine, personnel reliability, and occupational medicine.

Requirements

Conditions Of Employment

Males born after 31 December 1959 must be registered for Selective Service.

Incumbent may be required to participate in contingency readiness exercises, drill weekends, major accident response exercises, and investigations

Qualifications

Security Clearance/Background Check requirements:

In order to comply with US DOD requirements and ensure the safety and security of the missions, programs, property and personnel of the Nebraska Military Department, employees must obtain the appropriate background investigation and maintain the level of security clearance assigned to their respective work.

Failure to obtain, within one year of appointment, and maintain the designated type of security clearance/background check required for the respective work may result in a job offer being rescinded, separations of employment, or other actions as may be deemed in the best interest of

the agency.

Prior to appointment individuals must meet the security clearance requirements for the position or submit the required documents of the Nebraska National Guard, Personnel Security Manager for processing the appropriate investigation. Required forms: SF86, PSIP Initiation Form, Fingerprints, OF306 and Application/Resume.

Nebraska National Guard Information Security Specialist - jason.l.shroeder4.civ@mail.mil; 402-309-1129.

BASIC REQUIREMENTS: <h3>*Degree:* Doctor of Medicine, Doctor of Osteopathic Medicine or equivalent from a school in the United States or Canada. This degree must have been accredited by the [Council on Medical Education of the American Medical Association \(external link\)](#); [Association of American Medical Colleges \(external link\)](#); [Liaison Committee on Medical Education \(external link\)](#); [Commission on Osteopathic College Accreditation of the American Osteopathic Association \(external link\)](#), or an accrediting body recognized by the [U.S. Department of Education \(external link\)](#) at the time the degree was obtained.</h3>

Degree from Foreign Medical School: A Doctor of Medicine or equivalent degree from a foreign medical school must provide education and medical knowledge equivalent to accredited schools in the United States. Evidence of equivalency to accredited schools in the United States is demonstrated by permanent certification by the [Educational Commission for Foreign Medical Graduates \(external link\)](#), a fifth pathway certificate for Americans who completed premedical education in the United States and graduate education in a foreign country, or successful completion of the U.S. Medical Licensing Examination.**Licensure:**

Applicants must possess or be able to attain a current, active, full, and unrestricted license or registration as a Physician from the State of Nebraska.

SPECIALIZED EXPERIENCE:

Graduate Training

Subsequent to obtaining a Doctor of Medicine or Doctor of Osteopathic Medicine degree, a candidate must have had at least 1 year of supervised experience providing direct service in a clinical setting, i.e., a 1-year internship or the first year of a residency program in a hospital or an institution accredited for such training. For purposes of this standard, graduate training programs include only those internship, residency, and fellowship programs that are approved by accrediting bodies recognized within the United States or Canada. Descriptions of such programs are described below.

An internship program involves broadly based clinical practice in which physicians acquire experience in treating a variety of medical problems under supervision (e.g., internal medicine, surgery, general practice, obstetrics-gynecology, and pediatrics). Such programs are in hospitals or other institutions accredited for internship training by a recognized body of the [Accreditation Council for Graduate Medical Education \(ACGME\) \(external link\)](#).

A residency program involves training in a specialized field of medicine in a hospital or an institution accredited for training in the specialty by a recognized body of the [American Medical Association \(external link\)](#), (AMA) or [Accreditation Council for Graduate Medical Education \(ACGME\) \(external link\)](#).

A fellowship program involves advanced training (beyond residency training) in a given medical specialty in either a clinical or research setting in a hospital or an institution accredited in the United States for such training.

For GP-14, 4 years of graduate training in the specialty of the position to be filled or equivalent experience and training.

How You Will Be Evaluated

How You Will Be Evaluated

Once the announcement has closed, your resume and supporting documentation will be used to determine if you meet the qualifications listed on this announcement. Your answers to the assessment questionnaire will be verified against information provided in your resume and other supporting documentation. Be sure that your resume clearly supports your responses to all the questions addressing experience and education relevant to this position.

In describing your experience, please be clear and specific, we will not make assumptions regarding your experience. If, after reviewing your resume and supporting documentation, a determination is made that you have inflated your qualifications or experiences, your rating will be adjusted or you may be excluded from consideration for this position.

Your qualifications will be evaluated against general and specialized experience under the "Qualifications" section and against the following competencies (knowledge, skills, abilities and other characteristics):

Clinical Analysis, Customer Service (Clerical/Technical), and Oral Communication

NUMERIC CATEGORY:

Applicants who meet the basic qualification requirements will be placed in a numeric group based upon ranking factors such as knowledge, skills, abilities, and behaviors as reflected in their application package.

Numeric category ratings are:

Highly-Qualified: 90-100 points. To be highly-qualified, an applicant substantially exceeds the minimum qualifications of the position, including all selective placement factors and are fully competent to effectively perform all the job requirements in the position almost immediately with minimum training or orientation;

Well-Qualified: 80-89 points. To be well qualified, an applicant meets the minimum qualifications of the position and is proficient in most, but not all, of the requirements of the position. May require some training or orientation to satisfactorily perform the duties of the position;

Qualified: 70-79 points. To be qualified, an applicant meets the minimum qualifications of the position and is proficient in some, but not all, of the position's requirements. Will require extensive training or orientation to satisfactorily perform the duties of the position.

Veterans' Preference:

Assessed applicants are placed in the appropriate numeric category and ranked according to preference eligibility and non-preference eligibility. All qualified preference eligibles are placed ahead of non-preference eligibles within their numeric category.

Read more on Veterans' Preference at: <https://www.opm.gov/policy-data-oversight/veterans-services/vet-guide-for-hr-professionals/#2>

To preview the assessment questionnaire, please use the following link: <https://apply.usastaffing.gov/ViewQuestionnaire/12166050>.
