

MEMORANDUM OF AGREEMENT

Union Office Space

The Nebraska National Guard (the Agency) and the Association of Civilian Technicians, Chapter #88 (ACT) agree to the below on allowable office space for official union business effective 04 December 2012:

- 1.) In accordance with the Collective Bargaining Agreement, Article 25-1, pg 70, the union will be provided the use of office #215 at Field Maintenance Shop Number One (FMS#1), 1111 Military Road, Lincoln, NE 68508. This office is currently vacant and available. It is being provided based upon the newly elected, union president's request for office space and in no way sets any future standard for acceptable office space should the ACT or the Agency determine the need for a different location.
- 2.) In accordance with Article 25-3, the union is afforded the opportunity to screen excess office furniture located within the NEARNG/ANG for the purpose of furnishing the office.
