- ***Other documents will be requested upon initial review***

The following is pertinent information on the position:

Grade Requirement: Col/O-6, or promotion eligible Lt Col/O-5

AFSC: 48R3, meeting eligibility requirements for 48G4

Specialty Qualifications: The State Air Surgeon (SAS) serves as the principal advisor to the Assistant Adjutant General-Air regarding ANG medical capabilities within the Nebraska Air National Guard and on force protection medical issues, ensuring the State maintains a viable and healthy force for worldwide deployment. The SAS is assigned to the special staff within the Headquarters Nebraska Air National Guard, Lincoln, NE.

Duties and Responsibilities: The SAS is the primary liaison between individual ANG medical units within the State, the Assistant Adjutant General - Air (AAG/A) and the ANG Air Surgeon (ANG/SG) on force protection medical issues, medical aspects of homeland security and other medical matters. Has oversight of all ANG medical and aeromedical programs within the State. Assists line and medical leaders regarding medical personnel issues and programs. Reviews and ensures completeness of worldwide duty medical evaluations and initial waiver packages prior to forwarding to ANG/SGP. Reviews and certifies medical examinations of all individuals transferring from other military services, the active duty Air Force, Air Force Reserves and state-to-state transfers from other ANG units. Coordinates with active duty medical treatment facilities to facilitate access to care for eligible ANG personnel. The primary focal point at state headquarters regarding ANG capabilities related to homeland security and medical support to civil authorities. Coordinates with the State's Army National Guard Surgeon to identify and plan for efficient and effective utilization of ANG medical resources and manpower.

The Nebraska Air National Guard is an equal opportunity employer. Applicants will be selected for appointment through a quality oriented method of assessment which includes, but is not limited to, factors such as education, physical standards, experience, potential, motivation and moral qualifications.

Eligibility Requirements

Must be a citizen of the United States.

Credentials must be and remain current. Must have Provider Credential File (PCF) approved by the ANG/SG within ninety days following appointment.

Candidate should have broad experiences as medical officer including those as an operational flight surgeon and senior leadership experience within the Medical Group.

Training: Complete a one week certification training program at HQ ANG/SG within one year of appointment as SAS and attend the Health Services Management Course (HSM) or equivalent within two years of appointment. Must complete one week recertification training program at HQ ANG/SG every four years, and an annual SAS meeting at least every other year.

Physical Requirements: Must be in good physical condition and be medically qualified in accordance with applicable Air Force and Air National Guard regulations. Must meet Air Force and Air National Guard weight and fitness standards.

Security Requirements: Must be able to meet applicable security requirements to hold appropriate security clearance (Secret).
