I. Chapter 1 - Purpose

A. The intent of the Officer Candidate School (OCS) Enrollment Guide is to provide guidance to the Commander, the Unit, and the individual requesting to attend the Nebraska Army National Guard OCS Program.

B. This guide is to ensure that Soldiers applying for Army National Guard (ARNG) OCS are fully qualified for appointment/commission upon completion of the prescribed ARNG OCS program. Commanders must be selective to ensure eligibility in order to avoid wasting valuable resources and training time. It is not the intent of this guide to establish appointment/commission criteria, but only to ensure that applicants for OCS meet the minimum requirements for appointment/commission. The appointment/commission criteria, policies and procedures are the responsibility of National Guard Bureau, NGB-ARP (Personnel Division) and are established in National Guard Regulation, Army Regulation, NGR (AR) 600-100, other supplemented instructions and guidance.

II. Chapter 2 - Commissioned Officer Procurement

The commissioned officer procurement process will be conducted in three phases; The Procurement Phase, The Enrollment Phase and The Training Phase.

A. Procurement Phase.

1. The Procurement Phase is continuous throughout the year. The Major Subordinate Command (MSC) and Command elements should have a strong command emphasis during the Procurement phase.

2. Responsibility level: The MSC Command elements and unit commanders have strict ownership of the procurement phase.

3. End State: Identify future leaders from within the Nebraska National Guard to meet the Adjutant Generals Commissioned Officer Procurement Readiness Mission for the TY.

2. Responsibility level: All levels of command to include the MSC’s and Subordinate units, 2/209th RTI and Recruiting and Retention Command (RRC) elements have ownership of the enrollment phase.

3. End State: Screen and process our future leaders to ensure eligibility requirements are met to support the Adjutant Generals Commissioned Officer Procurement Readiness Mission for the TY; provide a pool of candidates to the 2/209th RTI in support of The Adjutant General (TAG) Commissioned Officer Readiness Mission.

Phase 1 is a 2 week ADT course conducted at Salina, KS. Phase 3 is also a 2 week ADT conducted at Ft. Lewis, WA, Ft. McClellan, AL, or Camp Rapid, SD.

4. **Phase 1** - During phase 1, candidates will conduct a land navigation field leadership exercise, 5-mile foot march, and cover Operations, Training Management, and Leadership doctrine.

**PREPARING THE OCS STUDENT AUTOBIOGRAPHY**

**SUBJECT AREA:** Written Communication.

**ASSIGNMENT:** Write an OCS Student autobiography of 4-5 pages (1000 words max.)

**ASSIGNMENT INFORMATION:**

a. **Substance:** Generally speaking, a writer reflects upon and describes his/her life, or part of it, in an autobiography. For your first assignment as an OCS student, we ask that you write an OCS Student autobiography, focusing on that part of your life which has led you to consider becoming an Army Officer. Here are some suggestions for proceeding with this assignment:

   (1) Present vital statistics: date, place of birth, places of residence, schools you have attended, family background, and prior military service or experiences.

   (2) Describe special events in your life; relate circumstances and happenings that make you different, that help make you who you are, and that you expect your audience to find memorable.

   (3) Tell what you expect to contribute to society through gaining an education and what you may contribute by completing OCS requirements and gaining a commission.

   **NOTE:** One of your principle writing tasks is to develop a fluid, readable narrative of your life, so do not merely list responses to these suggested questions. Instead, weave your responses into a narrative story of your life and your expectations in life and how this relates to your goal of earning a commission in the military.

b. **Format:** Final paper will be typed or computer-printed on one side only. Number each page (except the first page-cover sheet) on the center bottom of the page. The cover sheet format is provided. Your autobiography will start on the second page and be numbered "1" in the numbering sequence of all the remaining pages.

c. **Fasten a head and shoulders photo of yourself (3” x 5” or 4” x 6” photos or digital camera printouts on high-quality paper are acceptable) in uniform (ACUs) to the bottom of the cover sheet. Use “Scotch Magic Tape” to fasten photo to cover sheet. Local policy/SOP may require your class to schedule a date for all of you to take photos together, or you may wish to get together with classmates and take each other’s picture.

d. **Evaluation:** OCS Staff members will evaluate your autobiography. The OCS Selection Board of Officers will read and review your autobiography to formulate initial opinions about you. Your autobiography will be judged on four criteria: content, organization, readability, and presentation. Evaluators will consider the following questions as they make their evaluation:

   (1) **Substance.** How much specific detail have you used? (Generally, the more detail the better) How appropriate is the detail? How well does the reader get to "know" you, solely on the bases of your autobiography?

   (2) **Organization.** Does your paper develop smoothly? Does each part relate well with the rest of your paper? Do you relate your earlier life to your present situation in college? Do your expectations regarding the future emerge clearly from what you reveal of your past and present?

   (3) **Style.** Have you used effective transitions? Have you written directly? Have you chosen familiar, unpretentious vocabulary? Have you avoided long, cumbersome sentences? On the other hand, have you also avoided an extended series of very simply structured sentences? Has your punctuation assisted rather than hindered or confused your reader? Overall, have you observed the conventions of standard written English?

   (4) **Correctness.** Is your text carefully proofread, and free of typographical errors? Have used the proper format? Is your text neat, and free of smudges and wrinkles?
